Memories Are Made Of This—Yearbook Staff

The hustle and bustle of taking pictures, planning layouts, selling ads and annuals, writing copy, and typing kept the editors and the staff on the go. Determined to meet the deadlines, the staff worked with speed and efficiency. Memories, faces, and places were recorded to enjoy now and in the future.

Candid's *In Days Gone By*

—Advertisements—

It has been said that an ad in a yearbook is merely a donation to a cause. For some, maybe this is true, but we must also consider the following fact:

The ads in our annual are not for a day, a week, or even a year. THEY ARE FOR A LIFETIME, FOR WE WILL USE AND CHERISH OUR BOOK FOREVER.

The realization of an immediate profit may not be very evident; but future contacts, created by good-will and understanding now, will surely manifest itself again as it has done in the past.

We seniors are proud to have you advertise in our book and we wish to take this opportunity to thank you, the advertisers, who contributed this year to help make our yearbook a success.

Sincerely,

The 1965 Yearbook Staff

To Mrs. Hazel Nelson our English and German instructor we express our appreciation for having contributed so much to the enjoyment of our high school years.

Mrs. Nelson came to our school in the fall of 1954 to teach Junior High English and social. One year later she was responsible for the institution of German.

Mrs. Nelson has been active as a director in declamation and class plays. She was also one of the originators of the Future Teachers Association here in Morgan.

All of her duties as a teacher fall right in with her interests which are music and reading.

On The

Eve

Of Their

Retirement

We, the Yearbook staff of 1965, would like to express in behalf of all previous graduates and ourselves, many thanks to Mrs. Hazel Nelson and Mrs. Mick Ward, for all they have done for our school.

To Mrs. Em Ward, our head cook, we extend our deepest gratitude for her many years of service to us.

Em has been with us since 1941 with the exception of a one year leave taken on account of ill health.

Besides the wonderful meals provided by her and the other cooks, her pleasant disposition and helpful attitude will be long remembered by us. Many times she has been asked to do extras in the line of extra meals and has always responded eagerly.

She and her husband Mick, to whom, our yearbook was dedicated in 1963, will be remembered by all who have walked the halls of MHS.
